Equality and Diversity

The Trust aims to create a supportive and inclusive working environment in which all individuals are able to make best use of their skills, free from discrimination or harassment, and in which all decisions are based on merit. Application of the Policy

This policy is to be used by all employees employed by Trust (CAMPFIRE EDUCATION TRUST). The following definitions are included for reference purposes for both School and Central Team staff to enable clarity and transparency when applying this policy.

Privacy Policy for Visitors

Under data protection law, individuals have a right to be informed about how the Trust uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals we employ, or otherwise engage, to work at our trust and its schools.

We, the Campfire Education Trust, Burliegh Piece, Linden Village, Buckingham, MK18 7HX are the 'data controller' for the purposes of data protection law.

Our data protection officer is Julia Steed (see 'Contact us' below).

The personal data we hold

We process data relating to those applying to work at our school. Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Contact details
- Information relating to your visit, eg your company or organisation name, arrival and departure time, car number plate
- Photographs for the duration of your visits
- CCTV images (where CCTV is installed across trust sites)
- Information about any access arrangements you may need (which falls into "special categories")

Why we use this data

We use this data to:

- Identify you and keep you safe while on the school site
- Keep pupils and staff safe
- Maintain accurate records of visits to the school
- Provide appropriate access arrangements

Our lawful basis for using this data

We only collect and use your personal data when the law allows us to. Most commonly, we process it where we need to comply with our legal obligation to keep our pupils and staff safe while on the school premises.

Less commonly, we may also process your personal data in situations where:

- We need it to perform an official task in the public interest
- We have obtained consent to use it in a certain way
- We need to protect someone's vital interests (save your life, or someone else's)

Where we have obtained consent, this consent can be withdrawn at any time. We will make this clear when we ask for consent and explain how to withdraw it.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify our use of your data

Collecting this information

Some of the information we collect from you is mandatory, and in some cases you can choose whether or not to provide the information to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

We will only collect the data that we need in order to fulfil our purposes, which are set out above.

How we store this data

We will keep your personal data while you are visiting our school.

We may also keep it beyond this, if necessary, to comply with our legal obligations.

Our Record Retention Schedule/Records Management Policy sets out how long we keep information about visitors which can be found via our website.

We have put in place appropriate security measures to prevent your personal information from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed.

We will dispose of your personal data securely when we no longer need it.

Data sharing

We do not share information about visitors with any third party without your consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with data protection law) we may share personal information about visitors with:

- Our local authority – to meet our legal obligations to share certain information with it, such as where the visitor information is relevant to a safeguarding concern
- The Department for Education
