

Campfire Education Trust SEND statement

At The Campfire Education Trust we are committed to raising the aspirations of and expectations for all pupils and are committed to giving our children every opportunity to achieve their best in a safe and supportive environment where children feel able to take risks and enjoy the adventures that come from learning. Every teacher is a teacher of every pupil, including those with special educational needs and disabilities. The achievement, attitude and well-being of every child matters and inclusion is the responsibility of everyone within our Trust. We respect the unique contribution which every individual can make to our community. It is through our supportive, cooperative and adventurous approach that we believe every child can be nurtured to reach their whole potential.
